ORANGE & ALEXANDRIA RAILROAD. The following report has been made to the Board of Public Works, by Messrs. B. H. Shackelford, S. W. Ficklen, J. J. Wheat and John G. Beckham, a committee appointed by the stockholders of the Orange and Alexandria Railroad Company to settle the accounts of Messrs. Jamieson & Quigley. The report will explain the negotiations which have taken place for the transfer of the road to the Company's officers, and the necessity which has arisen for another appeal to the Board of Public Works.

To the Board of Public Works of Virginia: The undersigned, a committee appointed by the stockholders of the Orange and Alexandria Railroad Company to adjust the matters of difference in the management and affairs of the Company with Messrs. Jamieson and Quigley, beg leave to make the following report:

Mr. Quigley stated to the meeting of stock holders that all he desired was an investigation of his management of affairs, and a release from responsibility on account of outstanding

In accordance with his wish a committee was appointed to make said investigation.

The committee conferred personally with Mr. Quigley, and Mr. Jamieson not appearing in the meeting or before the committee, a letter was was sent him requesting a report and statement of the affairs of the Company, a copy of which is herewith filed marked "A. To this letter Mr. Jamieson responded, referring the Committee to to the books of the office for inspection, a copy of which is herewith filed, marked "B." Mr. Quigley reported in writing a statement of the condition of affairs of the Company from June 27th, 1865, to February 28th, 1866, a copy of which is herewith filed, marked "C." Accompanying this statement were accounts of debts and assets an entire new stock of for the same period, copies of which are herewith filed marked 1 and 2. These papers exhibited all the liabilities and debts for which Messrs. Jamieson and Quigley desired relief and exoneration. They show the total expense of the road to be - - - \$721,333 (9 And the total earnings to be - - 469,771 30

251,561 79 Leaving a deficit of The committee after conference with Mr. Quigley; and finding it impossible to make satisfactory examination of the correctness of these accounts, referred the facts, to the meeting. with the papers and accounts referred to, and recommended the adoption of a resolution appointing another committee, with full powers to adjust all these matters on the terms therein specified, viz: "to assume and satisfy all liat ilities for which said managers had become personally responsible whenever a sufficient consideration therefor has in the opinion of said commit tee, enured to the benefit of said company," and said company were instructed to report to the Board of Directors the results of their investig gations. This report and resolution was satisfactory to Mr. Quigley-it was accordingly made to the meeting, and on consideration thereof, was adopted and the same committee were appointed which previously had charge of the matter with one exception. A copy of this report and resolution, together with a printed report of the whole proceedings of the meeting is herewith filed marked "D."

In pursuance of the powers and duties of said resolution, the committee had frequent conferences with Mr. Quigley, and finally with his counsel, Mr. Wells, and no other or farther charge or liability being advanced or mentioned they conferred together for a final determination. The committee found it impossible to examine the correctness of the items constituting these accounts-to have done this would have required the services of a commissioner in chancery for a long time, and at great expense, and the consequent delay and danger of a satisfactory adjustment. Considering, therefore, that it was better to get possession of the road at once, and to pay something indeed, much, for what was manifestly a right, and in a spirit of compromise and concession, they informed Mr. Quigley, in the presence of his said counsel, that they were willing to take his accounts as he had rendered them, and to as sume the liabilities of Messis. Jamieson &

Quigley, as they appeared upon said papers.

The chairman of the committee after a consultation with Mr. Quigley and his counsel as to the mode and form of the report of settle-ment and surrender of the road, was about to reduce the same to writing, when for the first time the committee were informed by Mr. Quigley that he and Mr. Jamieson claimed compensation for their services; that he did not | patch and on the on the lowest terms, and conconsider the same as covered by the accounts rendered and acted upon, and that said compensation demanded was the sum of \$15,000 for the period of about eight months of their management. The committee considensing the demand as unjust and enormous, and that full compensation had already been included in said accounts, rejected the demand, and the proposed adjustment was, therefore, rejected by said Quigley and abandoned by the committee. The committee, therefore, reported their failure to make said adjustment to the Board of Directors and they passed the following order requesting the committee to visit Richmond and lay be-fore the Board of Public Works a statement of this action and account of their proceedings had in full, which they have now accordingly done; a copy of said order in herewith filled, marked "E." The committee requests the immediate action of the Board and the restoration of the road to the officers elected by the stockholders. It is now illegally withheld by Messrs. Jamieson and Quigley. When restored, all accounts can and will be justly and properly settled with Messrs. Jamieson and Quigley, who have held it heretofore as the agents of the Board of Public Works, under a contract revokable by the Board and controled by the laws of the

To obtain an immediate hearing, the committee, finding the Governor ab-cut in Washington informed him by telegraph yesterday of the object of their mission. His answer, received this morning, info:ms us that "he will be in Richmond some time next week.' Copies of said telegrams are herewith filed

The committee in conclusion earnestly invoke the prompt action of the Board, and the resto-

ration of the road to its legal owners. B. H. SHACKELFORD.
